I M P O R T A N T N O T I C E ! !

To All Lyon Eastern Dealers:

Starting May 15, 1946 and continuing until further notice, all shipments of Lyon products will be direct from the factory and priced on an F.O.B. Factory basis.

This discontinuance of service out of our Eastern Warehouse and Assembly Plant was motivated primarily on the basis of improving service.

Inadequate receipts of steel and other raw materials this year to date, has prevented us from building up and keeping our warehouse stocks sufficiently balanced to render satisfactory service.

During this reconversion period and until such time as our raw materials are on a normal basis, we know that all shipments out of the factory direct to our eastern dealers will contribute to better service.

Our present F.O.B. Factory price list is being revised and reprinted and a supply will be sent to you just as soon as they are available.

Please continue to send your orders daily to the Lyon Office serving you, where they will be re-priced and entered for shipment on an F.O.B. Factory basis. All orders on hand and unshipped as of May 15 will be re-priced on an F.O.B. Factory basis.

Very truly yours
